CANDY CANE NAILS

SHADES

Scarlet
Disco Fever
Lily White

TOOLS

Scotch tape

STEPS-

To create this delicious candy cane style nail art, start by applying 1 coat of ulta3 nail colour in Scarlet on your entire nail. Once dry, add 1 coat of ulta3 nail colour in Disco Fever. Wait until both layers are completely dry before the next step! Cut two thin strips of scotch tape, and place them diagonally across the nail, one a little higher than the other. Press the tape down firmly so that the polish does not bubble. Paint the entire nail with a coat of ulta3 nail colour in Lily White. While the polish is still wet, take the tape off by sliding it from one edge to the other. Once everything is dry, finish your Christmas Candy Cane manicure with ulta3 Non Chip nail polish for a perfect finish!

CHRISTMAS GLITTER

SHADES

Silver Grey
Luck of the Irish
Disco Fever

TOOLS

Makeup sponge

STEPS-

For this glamorous Christmas glitter look, start by applying 2 coats of ulta3 nail colour in Silver Grey. Once dry, using the makeup sponge, dab a small amount of ulta3 nail colour in Luck of the Irish on the nail, starting from the cuticle working towards the end of the nail. Use your sponge again to apply a small amount of ulta3 nail colour in Disco Fever over the top. Keep repeating until you have your perfect colour combo! Seal your Christmas manicure look with one coat of ulta3 Non Chip polish.

SANTA'S BELT

SHADES

Scarlet
Black Satin
Gold Rush Fever

TOOLS

Scotch tape
Tooth pick

STEPS

Turn on your Christmas cheer this year by creating these cute as a button Santa Belt looks! Begin with applying two coats of the ulta3 nail colour in Scarlet and let the colour dry. Then, take ulta3 nail colour in black satin and paint a thin line near the end of the nail for Santa's Belt! For the buckle, place four small dots of ulta3 nail colour in Gold Rush Fever in a square and connect them using your toothpick. Let everything dry, and finish with a single coat of ulta3 Non Chip polish!

CHRISTMAS TREE SPIRIT

SHADES

Scarlet
Frog Prince
Pot of Gold

Tools

Scotch Tape
Tooth Pick

STEPS

Light up your Christmas tree this year with ulta3 style! Start by applying one coat of Scarlet. Once this has dried, place two strips of tape on the nail, from the centre of the cuticle to each of the corners of the nail end. This will leave a triangle shape free to paint your Christmas tree! Make sure you press the tape down firmly so that the next colours don't puddle. Apply one coat of Frog Prince to the triangle, and once dry, apply a coat of Twinkle Toes. Let Twinkle Toes dry and finally paint on your one coat of Pot of Gold. Remove the tape strips starting from the corner. Using the toothpick apply your finishing touch with a dot of Gold Rush Fever for the star! Finally, protect your Christmas
