ulta3 Lips

Hot new look, hot new shades, same hot price!

Impulse cosmetics brand **ulta3** is always on top of the latest trends and have not only given their lipsticks a new look, but have also introduced **11** hot new shades.

Refresh your look with a bold statement on your lips!

The versatile new lip shades are inspired by the catwalk, with a range of shades to not only suit your individual style but also both day and night looks.

In its chic new black packaging, **ulta3's** extensive lipstick collection, of **52 shades**, includes a variety of shades such as Nude Coral, Berry Chocolate, Misty Mauve, Cute Pink and Firecracker. All ideal for recreating runway looks no matter what your age or skin tone.

From only \$2.95, the **ulta3** lipstick range provides a cost effective way to update your beauty look, over and over. You can get a range of shades, one for every occasion!
